To

H. H. Sparkes, Esquire

Excise Commissioner in Mysore,

Bangalore.

Through the Deputy Commissioner Kolar District.

Sir,

I have the honour to submit the following representation, which I beg you may be so good as to submit to Government for their favourable consideration, withsuch kind support, as you may be good enough to accord to the same.

I was appointed an Apprentice Geologist on Rs. 100/- on passing in the competitive Examination on 14th March 1895, and was promoted after two years approved service as Assistant Geologist, third grade on 14th March 1897.

2 As per orders of government the grade of Assistant Geologist was parallel to Assistant Engineers and Assistant Commissioners.

R 2246 8-15-11-1 Hoy R

3 On 1st. December 1901 I was transferred to the Revenue Department as an Extra Assistant Commissioner fifth grade, Sub Protem in the permanent vacancy caused by the retirement of Mr. Abdul Aziz, and as I had already been in an analogous grade to that of Assistant Commissioners ,I was given to understand that I would be confirmed after one year's approved service in the new line.

V

4 On the 27th November 1902, I sought for confirmation and represented that my compeers in the Geological Departmenthad been confirmed as Assistant Geologists, second grade, after I had left that line, and had distanced me by one year. The Excise Commissioner was pleased to forward,(vide his No. 3455-13 dated 9-12-1902) my application for favourable consideration of Government with the remarks as follows:-

"He joined the Excise Department on 1st. December 1901, and as been giving satisfaction

I was thereupon informed that I should qualify myself by assing the requisite examinations. Since then notwithstanding the heavy work that I had to undergo in the late Shimoga Division which comprised of both the districts of Shimoga and Chittaldroog and inability to get sufficient leave in time, I have passed the Revenue examination, and am studying for the other tests.

5. The Government have been pleased to confirm me (vide Notification No. 6077-99/G.M. 12-06-50 dated 2nd April 1907) as an Extra Assistant Commissicner fifth grade from 1st July 1906. As I was already in a grade parallel to that of Assistant Commissioners, after passing a competetive examination in the Geological Department and have been without any promotion for nearly 7 years I solocit that the Government may be graciously pleased to confirm me as Assistant Commissioner, fifth grade, from date of one year after my joining the Revenue Department, viz, 1st December 1902 in view of the recommendation of my Department so far back as 1902, and of the fact of my work having been appreciated by my superior officer as recorded in the Excise Administration Reports.

I have the honour to be,

Sir,

Your most obedient servant,

K Ramanna

Excise Assistant Commissioner.
